Accepting our Terms of Business

This document sets out our commitment to you as our client and outlines the principles we follow in doing business with you.

We (ABT) are a membership organisation and act as a specialist provider in non-investment insurance contracts for commercial clients. Our permitted business is advising, arranging, dealing as agent and assisting in the administration and performance of general insurance contracts.

Accreditation is not an insurance product and falls outside of the scope of day to day activities.

Accreditation Definition:

In order for a training provider and their courses to be accredited by a professional body or association, the course and the provider must pass strict criteria. It is important to remember that ABT accreditation is not a national framework or a recognised qualification; each body will have their own criteria.

The main criteria that accreditors [ABT] will consider are:

- Is the company delivering an insurable course?
- Is the content suitable and do the course hours meet the industry standard?
- Is the trainer insured?
- Is the training being delivered by a teacher qualified to Pttls or AET standard?

To be accredited by ABT, the answer to all these questions at time of application must be 'yes'.

Accredited Company Overview: Short Course Accreditation

ABT accreditation is a simple, low cost and extremely efficient way to step out of the crowd and show your potential clients that you are approved, endorsed and eligible to offer ABT membership and insurance packages to them. For a training provider and their courses to be accredited by ABT, the course and the provider must pass strict criteria. It is important to remember that ABT Accreditation is used for internal insurance purposes only and is not a national framework or a recognised qualification; each body or company will have their own criteria. When accrediting your course, qualifications or post graduate support training with ABT you will enter into a relationship with the UK's largest Beauty Membership and Insurance provider who currently represent over 1400 providers. ABT is also part of the UK's leading publisher, Exhibition Management brand and its Irish counterpart – Beauty UK, Scottish Beauty, Irish Beauty Show, Guild News and ABT Ireland. In our opinion, having your course Accredited is crucial to give your course the seal of approval and recognition it deserves.

ABT Accreditation is not a guaranteed process. We also reserve the right to cancel, decline or refuse to accredit [any application] for a course and/or provider without explanation nor prejudice. ABT holds a registered trademark under No. UK00003589458 and

will only permit accreditation and use of our brand under issued guidelines and will refuse use wherever deemed suitable to protect the integrity of the brand. ABT appreciates client's enthusiasm and aspiration towards its accredited status, however we always make sure ABT trademarks aren't wrongfully used to protect our membership community. If we feel our brand is being misused in any way – we will refuse an application and/or terminate an accreditation immediately. ABT require accredited companies to uphold the core values of ABT which are available upon request however revolve around: Standards | Ethics | Quality | Integrity and Client Care. Proven failure to uphold any of these standards will potentially mean removal of any accredited status.

Accreditation requires an active insurance policy [per tutor] against the college record in every situation. Should an Accredited company cease to have suitable insurance, the accredited status will be suspended immediately and automatically. Free activation is available for all ABT members with suitable insurance.* Charges apply for alternate policies at £100 per year each to contribute to additional time and cost incurred.

Dedicated Account Manager

Once ABT receive your application you will be assigned a dedicated 'pre-verification' contact who will assist you with collating your application before submitting to our approvals team. Whilst most accreditations take 21 days to complete, some are much faster, and the team contact will keep you informed every step of the way. This exclusive service takes all the stress out of applying, so don't worry – we are here to help and if you don't believe us – check our Facebook reviews! Accreditation is only dealt with in writing, email and through our dedicated, innovative client portal.

Payment for our Services

The only fees that ABT charge for accreditation are membership fees. Accreditation is not an insurance product, nor is offered alongside such products. The current charge for accreditation is a single one off fee of £250* which [if successful or not with application] is non-refundable unless the course is classed as uninsurable [as a treatment] and in this case a refund will be due within the first 90 days.

Our dedicated accreditation department will help, support and guide you through the process of gaining accreditation wherever possible.

Whilst in many cases we store manuals, lesson plans, certificates and other supplementary information within our secure portal system this is not always the case for storage size relevance. In some cases, we transpose the data to our internal system and disregard paperwork. We therefore cannot guarantee upon any request that we will be able to send copies of any original paperwork provided. Should the manual[s], Lesson plan[s], Certificate [s] be available, we will send back at an administration charge of £50 per item requested or a maximum of 1 day [8hours] £400. This does not in anyway impact the right of access that is commonly known as making a subject access request or SAR.

Ending our Relationship

Accreditation is an application process and charged at the beginning [application stage] of our relationship. Once applications have been received in part, full or pending further investigation the initial charge in full applies. The current charge is a one of fee of £250 for up to 10 course [*additional charges apply per course thereafter of £40].

Where an accreditation has been valid for over 3 months, and the college and/or training establishment changes its name, fundamental brand or identity, an amendment to application must be made. In all cases a full resubmission of paperwork as per new application is required and a fee of £85 will be charged and new welcome packs issued. In these cases, we cannot guarantee reaccreditation as application treated as new.

You may at any time terminate our authority to act on your behalf within 14 days of payment or as otherwise agreed without penalty. Notice of this termination must be given in writing and will take effect from the date of receipt. In circumstances where we feel we cannot continue providing services to you, we will give you a minimum of 7 days notice.

We reserve the right to remove accredited status, or availability of products without notice and in this case, no refunds of accreditation fees will be due. Where the insurer has removed or amended the availability of a product, your accreditation will see the term through, although insurance products for members will not be available. In this instance, no refunds are available outside of the first 90 days and your accreditation for these courses will automatically end.

Any courses added after your initial application/confirmation of accreditation are charged at £40 per course. This is regardless of unused courses or fees from initial application outside of a 30-day period.

There is an annual charge due of £100 per active insurance policy that is currently waved [to zero value] in all cases if annual information request for valid ABT insurance documents is received. Whilst there is no issue with any accredited trainer being insured elsewhere should any trainer stay with another provider we will ask you to resubmit your schedule of insurance, endorsements, and policy wording for us to see when renewal falls due – it is for this check annually why there is a change of £100 [that we do not need to do for ABT members where your school, membership and insurance are all linked in a portal]. The annual charge due of £100 per active insurance policy is currently waved [to zero value] in all cases for valid ABT members with suitable cover and will fall due at any time policy expires after application.

For our temporary support during Covid-19 we have negotiated with our insurers to allow digital training online. These courses must be Accredited as new courses at the cost price of £30 each. We cannot offer this service to 'advanced treatment extensions' and in all cases a live assessment via Teams, Zoom or similar must be conducted. This service is temporary, and we will give a minimum 3 months' notice before withdrawing. This is valid from March-20 through September-21 as a minimum period.
